

TRAILHEADS

FOUR PEAKS WILDERNESS

Not uncommonly one of the more challenging parts of a backcountry trip is attempting to find the trailhead itself. To assist you in reaching the jumping-off place, we have developed the following directions to the trailhead named below:

Mud Spring - Drive north from Mesa on State Highway 87. Approximately 11.5 miles north of the Verde River Bridge (and just past the Desert Vista Rest Stop) turn right (east) onto Four Peaks Road 143. Follow Road 143 for 16 miles from highway. A high-clearance vehicle is recommended. The trailhead is a small pull-off on the south side of the road. Trail Accessed: **Solider Camp Trail 83**.

Be sure to secure your vehicle, and don't leave valuables in sight while you gone. Also be sure someone knows where you are going.
